The Premises:

Long standing parlour on the edge of an industrial estate. Well appointed rooms and a friendly welcome. Finally a parlour that charges what it says it does - a refreshing change

The Lady:

Pretty petite lady, wonderfully natural body in great shape - age, late 30s would be a fair guess. Photos don't give too much away but you won't be disappointed

The Story:

Arrived in good time and was shown to the room. Was then greeted by Milly and I knew I had chosen well. Great looking woman, and a wonderful figure too. Finished my shower and dried off, this is when she announces that she doesn't charge extra for kissing etc. So this sounded too good to be true but it was, so on with some great kissing and then I took her bra off and dropped to my knees so give her lovely boobs some attention, she is very short so I was at the perfect height. Pushed her back on the bed and went down on her which I know she enjoyed immensely! Some great oral on me followed then on with the cover for some great sex.

Overall one of the best, will definitely return and so good not to be rinsed for extras
