The Premises:

Apartment 10 minutes walk from Victoria train and coach station

The Lady:

Naturally slim, 5'7" ISH. No enhancements a few tattoos some being removed. A smile and eyes that made me melt.

The Story:

Had been wanting to see Effy for a while. The website photos of this slim babe and the services offered are just what I like.

It was a warm day and had arrived in the area early for a G and T in a local bar to settle the nerves and ensure I would be on time. Press the intercom a couple of minutes before booked time. Let in and shown to upstairs room with low light and gentle cooling breeze below the window blind.

Normally I take a shower on arrival but this time had prepared before arrival and glad I did to maximise my time with Effy.

She floated into the room with red fishnets and crotchless panties and bra. was blown away with her smile and the 'i want you now' eyes. Definitely no going for an extra shower now unless Effy was going to assist. Maybe next time?

She waste no time in stripping suductivly infront of me, then proceeding to help with the trouser snake in my shorts. Effy is happy to kiss getting rather passionate with maybe a little tongue action. I maybe not remembering everything and the tongue was in my imagination. Effy drop to her knees and started a slow and fantastic BJ. Then onto the bed to explore each other with more BJ, 69, rimming her. Not sure how I was able to control not cumming to soon but after being rubbered up sex in lots of position wanted a cim. So satisfying and Effy was able to provide a little extra as a treat.

Cuddled and kissed some more before the time was up. No time watching but working to a the

appointment timings.

A quick shower before heading off.

A must see again and maybe a duo with another girl to see FFM skills.

Thank you. Xxxx
