### The Premises:

Tidy CMK flat.

### The Lady:

Elle is so cute! Her pictures didn't properly prepare me, but I was pleasantly surprised. She is tiny with a great figure and curves in all the right places and pert natural boobs. She's dotted with silly little tattoos, which I find endearing.

### The Story:

Oh my... Booked Elle on the spur of the moment and I'm so glad I did!

Elle was accommodating from the beginning to the end (even with my indecision about how long I wanted the session to last).

She offered OWO, which was delightful, it really felt like she was enjoying sucking my cock and could have happily taken it to completion (maybe next time), but I needed to fuck her and she keenly obliged. First her on top (which is a sight to behold), then on her back, then from behind, at which point I couldn't hold it any longer...

A thoroughly enjoyable experience which I can't recommend enough. I hope to see her again soon!
