### The Premises:

Small but clean and cosy flat. Easy to find whilst also discreet and away from any main road. Nice powerful shower which was a bonus before and after!

### The Lady:

Inessia looks just like her photos, beautifully proportioned and gorgeous soft skin. I'm 5'11 and she was slightly taller than me in heels. She's got something of a twinkle in the eye and a very friendly demeanour. Although I think she's Eastern European she could easily be from Spain or Italy with her tanned olive skin.

### The Story:

I booked Inessia for 90 minutes with an additional £100 for 'filming with a mask' service. I'd been intrigued to see it's a more commonly offered service now and had been wanting to give it a go. From her reviews it seemed like Inessia would be someone who'd help make the experience sexy but also comfortable. And as it turns out it was well worth the additional fee to leave with a souvenir...

She greeted me in the requested outfit - black skirt, white top and heels, with a black lingerie set underneath. She's a grata conversationalist and we found common ground on a few topics very quickly. The glass of wine offered helped me relax into it, and a shower in her spotless bathroom was very welcome on what was a very hot day.

After I came back from the shower she flipped things from polite conversation to lower voices and closer proximity. I told her a few of the things I was keen to film and she said she was happy to oblige. She put on a mask (a classy lace wraparound thing which still managed to suit her outfit) and we started with a lapdance leading into a striptease. I like taking things slow and she was happy to go at my pace. She didn't seem bothered by my ad hoc phone filming, I guess perhaps it's quite a common request these days.

After she's started peeing her clothes off she started doing the same to me, intermittently whispering in and nibbling on my ear. She really knows how to rile you up, especially with her incredible chest. We then moved to the bed where she pleased me with hands, mouth and

breasts. The main event maybe didn't last as long as I would've liked but to be honest that was on me as I was enjoying the build up so much!

She was kind enough to oblige an outfit change halfway through all of this too, as I wanted to film some of the action with her in a bikini.

Overall an incredible experience meeting Inessia (which I've also been able to enjoy reliving). I would highly recommend her especially if you maybe have a few different things you'd like to try beyond the usual. Also highly recommend the agency, who were very quickly and clear communicators and their website makes it easy to find which girls offer the services you might be prioritising.
