### The Story:

Shown to the room, then Ruby came in, offered me a drink, had a little chat. Started with some DFK and some lite touching. Then moved to the pussy, lovey, clean and taste fab. After she came, then it was my turn, WOW she knows what's good, had to hint to slow down. After a bit moved on to the main event, which I have to say was the most natural sex I have had with any of the ladies, really felt like making love and not just sex. This was the BEST GFE ever, also no mention of business, I had to say after. I will be returning very soon.
