The Premises:

Lovely place in the HUB... clean place as always

The Lady:

Short lovely lady

Shortish hair with highlights

Very chatty and friendly she was I knew straight away she would be a great visit

The Story:

loads of kissing

She took the member and started to give some immaculate head.

She said make sure you don't come

Clearly she was doing something right and I said no ways I can't come I still need to be inside you!

She just smiled

Anyways after sometime I said lay on your back let me explore your body

It was only right I too went down on her!

She was moaning and gripping herself to a huge climax!!

I won't need lube after that she said (she needed a moment to regroup)

I was then on top missionary with her legs resting on my chest

Lovely moaning from her she was in the moment totally

Then to cowgirl then doggy

She loved every moment of it and so did I

When you meet someone and just click its magic

Regardless that it's a job she was so so so nice what a lovely person

And Natalia I'm glad I could give you that euphoric experience

Not all men don't know what they are doing lol
