The Premises:

The apartment is located in between Earls Court and Gloucester Road. Flat is modern and the area is well known to the punting world.

The Lady:

Girl was friendly and pictures were accurate as per website. She is from Ukraine and is in London for a short time.

The girl was slim, size 6 / 8. Long blond hair and stand about 5'7. Nice pair of tits with lovely perky nipples.

The Story:

Overall was good experience. She is very beautiful with a lovely EE accent. She has typical slavic look and a lovely body. Service was vanilla but that was what I was after. We started off with a massage which was very nice. Oral was sensual and gentle. Sex in a couple of positions and I made sure that we used the mirror so I could see myself banging her from behind when she looked into the mirror. Finished in mish and I came in buckets.

Her English was very good and had a nice post punt chat.

Would revisit again if time permits.
