### The Premises:

Premises in Pimlico close to Victoria station. Nice little bolt hole, easy for me to get to and then whizz home.

### The Lady:

Wow. If you like black girls book her up, she is amazing. Photos give a general idea but don't really come close to what confronted me as she came in the room. Not that tall but really leggy, amazing athletic figure, very lithe and absolutely flawless skin. The type of girl who if I saw her on the street I wouldn't be able to stop myself gawping. Website says 30 years old, could be right, if she said she was 25 I'd believe it. I forgot to ask her where she's from but she sounded like she was South London.

### The Story:

This is right up there in my top 5 punts. I wasn't sure what to expect as the website said she was new and there weren't any other reviews. So I thought she might be a bit quiet or green - no chance! She knew exactly what she was doing and what she wanted. She must have worked somewhere else before as she is a complete and utter pro. Started off with a bit of a massage then I flipped over and she gave me some really good oral, lots of visible tongue action on the bellend which was an incredible sight. Bella is no shrinking violet, at one point she said 'I really like my sex babe' and I can believe it. We fucked in a few positions and I was worn out. Her body is incredible, her pretty pink pussy as she was playing with it before I fucked her again was a sight to behold. I was going to try out Azalia at the same establishment but Bella was so good I think I might go back, but for a bit longer next time.
