### The Lady:

Layla looked around late 40s, she had false boobs that were a bit saggy. The lady had lots of tattoos around her lower midriff, either to hide stretch marks or a caesarian

### The Story:

Victoria house have 2 basic charges, £60 for hand relief and £80 for GFE. (I had 2 massages with another girl here for £60 last week problem free.)

As soon as Layla walked in she said "Its £80." No mention of the £60. I said I didnt want GFE, only hand relief and she said, "Yeah, that's right, £80."

I thought, the punt wouldnt go well if I haggled, so I paid up.

I should have haggled because the hand job was second rate, like she couldnt be bothered.

The conversation was very false, from some of her comments it was obvious she was not listening half the time. Not a very nice lady.
