The Premises:

Usual place by the car park. Clean and warm . I had the smallest room upstairs.

The Lady:

Curvy and attractive English brunette. Best feature for me was Bella's oversized bum.

The Story:

This was my first time seeing Bella and she was very friendly and chatty. On my front first and Bella delivered a great massage whilst we talked about a wide range of things. After a while, her hands delved down in-between my thighs and introduced my cock and balls to the party.

Next stage was for Bella to jump on top of me and use that body of hers to great effect in the B2B massage. It felt really fantastic.

Then flipped over and Bella sat on my chest and leaned forward so I could have a great time squeezing and slapping that phat ass of hers. The finish finally came and was very enjoyable.

I can really recommend Bella - great looking girl, with a friendly attitude and a real desire to treat guys to a sexy time. She seems very popular and I can understand why.
