The Story:

Hadn't seen Eden for about 9 months as I find very difficult to make the days she works but greeted with so much enthusiasm into the bedroom and straight down to french kissing with lots of roaming hands eventually I laid Eden down on the bed for a nice session of reverse oral and boy she tastes good leading to a climax for her then it was my turn and boy can she deliver a blow job eventually on with the condom where she rode me to a wonderful finish finished off with a cuddle and catch up on our everyday lives,treat her with respect guys and she will make you feel like a king
