### The Premises:

Nice Safe premises, Very clean and tidy.

### The Lady:

Beautiful smiley lady with a wonderful personality, early 50s, average height, medium build, medium breasts, fully shaved, photos on Hod site are accurate.

Sophie is defiantly of the posh totty category in both appearance and the way she spoke. The type of lady that comes from a privileged background, well mannered and well educated. i can imagine her spending time with her horses at the family's country estate.

She comes across as a lady that is in the industry because she enjoys it rather than for financial gain, this was obvious as soon I met her.

### The Story:

All in all an excellent encounter, I would even go as far as to say one of the best i have ever had. The fact that Sophie is so attractive and most defiantly my type made the whole experience quite incredible.

Sophie seems to have a knack of knowing exactly what make you feel good and executes this with perfect precision, she was very enthusiastic and willing to accommodate with all of my requests, her super sensual DFK and the slow intermate OWO was second to non, with that and the perfect chemistry this led to the most incredible GFE I could have hoped for. We had sex in several positions and all were very sensual and led to an incredibly intense climax. This lady just oozes sensual sexiness but at the same time its good fun with great conversation.

It is very clear that she is exceedingly good at her job, the best i have ever met, she has an infectious personality and a smile that simply makes you feel good. i will defiantly book longer next time so that we have more time to chat and catch up on life.

I had an amazing time with an exquisite lady and will be back to see her again very soon!
