The Lady:

Ashley looked better in the flesh, really nice lady, great personality.

The Story:

Greeted with a kiss and shown to the room, asked if I wanted a drink/shower. Talked for a while, very nice lady and a great body.

Then down to business, started with some kissing and touching then worked my way down, started with the pussy, think she enjoyed it but no orgasm :(Then she repaid it with OWO which was great. Then we had sex to finish. Great experience.
