The Premises:

Lovely place to feel so relaxed and comfortable. It's clean, tidy and secluded so you don't feel awkward waiting to be let in.

The Lady:

Jes-us Wept. Demi is an absolute goddess. Shes stunningly beautiful, gorgeously pretty and incredibly sexy. Natural all over with those seductive eyes that pull you in to waiting more and more. I really genuinely fancy the knickers off her!

The Story:

Demi gave a very warm welcome and we're lovely to chat to. Given that I'd not been to Ego in a while, I were a little nervous but Demi put me at ease from the get go. She started off with a soft and gentle massage on my back, neck and shoulder. Giving little teases of boobs across my back and head. She climbed on top of me, locking her feet into mine so she could lean forward and have those glorious boobs wrapped around my neck and back of head. Turning me over I were in awe... Demi just took control (which I love) and let loose. Stroking my cock and edging me over and over with some lovely little dirty talk. When she sat over my face, I got a full view of her clean shaven and tempting pussy. Again she held my head down with her legs so I couldn't move but that made it all the more inviting and tempting! Demi is an absolute creative genius. Thank you, I'll be back for more to cum!
