The Premises:

Basement flat in a side road a short walk from Baker Street station. It's a compact place, with a small bedroom and an even smaller bathroom. Both are clean and fit for purpose.

The Lady:

Betty is an attractive Thai woman in her 30's, with a pretty face and a sexy curvaceous figure. She is around 5ft 3ins in height. Her bath photos on the website are a pretty good likeness.

The Story:

I originally visited Betty over three years ago, when she first appeared with Olina, so this was a much delayed return visit. She was every bit as enthusiastic and welcoming, with dfk from the outset, an erotic shared shower, and her full range of oral, rimming, 69, and sex in various positions, both anal and vaginal. She kissed throughout, and maintained a high level of enthusiasm and energy.
