The Lady:

Effy is a very slim and slender English beauty, she looks a bit like Uma Thurman and has stunning blue eyes.

The Story:

She glides in and gives me a friendly kiss and I soon have my hands all over her tight body. We chat and kiss and I make a few jokes and she is quick to laugh, an easy going personality.

Then she pulls down my pants and gives me an OWO BJ, I lie back and then I hear gagging and look up to see my cock mostly stuffed down her throat, then I feel my arsecrack getting wet and for a sec I fear the worst! But then I realise it is her slobber slipping down my balls and onto my arse. She is a messy girl and loves a wet BJ as do I, and staring into those deep blue eyes while she slobbered all over my cock and balls nearly sent me over the edge but somehow I managed to hold on.

I was seeing another girl so didnt want to come, so then I flipped her into doggy and gave her pussy and esp her sweet arsehole a thorough tongue-fucking, which she seemed to really enjoy, then too soon time was up and I left for my next booking.
