### The Premises:

HOD Basement flat

### The Lady:

She is a gorgeous Spanish girl with big brown eyes and a sexy slim modelesque body, very tight and trim, with stunning nails and toes, if you have these fetishes then shes for you as she likes them sucked and worshipped.

### The Story:

This was the second time Ive seen Kassandra, and the first time was nearly a year ago but she remembered me which was nice and things seemed more affectionate between us because of this I felt.

We kissed and I moved down to her boobs, they are fake but the skin is tight on them and so they felt really good. Then after some more kissing and squeezing she went down and gave me a nice soft OWO BJ. Once I got rock hard in her mouth I asked her to suck harder and look at me and she did both fantastically.

It was the best POV BJ Ive had as her eyes were on mine for the next 15 mins, like a top porno, which was an amazing sight to behold and my dick looked bigger than ever. I switched her around so I could also eat her juicy cunt then her arsehole then her feet before finishing up what was a great GFE experience.
