### The Premises:

Well reported.

### The Lady:

I first saw Adele in 2023 when I had a five girl orgy at HOD! Aussie girl and she was blonde in those days. She's dyed her hair brown but is still a real babe! Facially attractive, tall, slim, lovely smooth figure and I would guess in her late 20s. The only downside is she has a bad boob job.

### The Story:

booked 45 mins based on her performance and looks when I saw her first. I was hoping for a GFE but only light kissing was on offer. Foreplay was non existent and I nuzzled on her tits for a while before eating her pussy out.

I had trouble getting going as these I usually need some good foreplay but her blowjob (owo) was pretty good and that's how I came with a bit inadvertently going into her mouth. Was pretty much done and dusted in 30-35 mins and I should really have only made it a 30 min session. If so, I would have been ok as a short, perfunctory session with a stunning girl is not completely without merit especially if I had added rimming as an extra. But was left disappointed having booked a longer session.
