### The Premises:

Well reported place.

### The Lady:

Read rave reviews about her and they are not exaggerated. Gabriella is a stunning girl. Czech, Mid 20s brunette, lovely smooth slim figure, nice pert natural tits and facially very striking. Her eyes have a slight Eurasian look which I've always found alluring.

### The Story:

Her service levels matched or even surpassed her looks. Wonderful GFE, lots of dfk, teasing foreplay, wonderful blowjob, went down on her and then back to her sucking me off and finished with CIM. My only regret is I didn't shag her when erect but I find it so hard to tear myself away from a good blowie.

Gabriella also has a lovely, warm personality. She is the complete package. The best of this hobby is having good sex with a beautiful young woman for not too much money and that's what I got with Gabriella.

I do hope she's around next time I'm in London. I left feeling lightheaded with a huge grin on my face and quite literally a spring in my step.

As an aside, I see fewer and fewer reports on PN which is a shame as it was the premier punting/review site for many years. One step that could help it reclaim its pre-eminence is to make entering reports less of a clunky process.
