The Premises:

Clean flat in the hub, plenty of parking, nice welcome at the door by Ruby lead me to the room and offered me a drink.

The Lady:

The photos on the webpage are very accurate, if anything I would say she's better in the flesh. Lovely petite lady, superb smile, very pretty and has a wonderful personality.

The Story:

The only thing I can say is, if you get the chance to book Nadia, then do it, the only thing better than Nadia is a duo with Ruby. Absolutely mind blowing.

Did a bit of light kissing and caressing each other's bodies, move to the bed where I proceeded to go down on her and what a lovely pussy. After she orgasmed she repaid the favour and gave me a BJ. Which was one of the best I've ever had. Moved onto sex in several positions which ended up in a very happy ending. Like I said before, if you get the chance to book Nadia do it or even better a duo with Ruby. You won't be disappointed and you will definitely want more!!!!

Absolute pocket rocket!!!!
