The Story:

I arrived a little earlier than my booked time and checked on my phone whether I could start early; I got a positive response. Julia greeted me with a lovely smile. After a quick shower, we got started. OWO is always a wonderful kick-start for me, and I have to say Julia is really good at it. Most importantly, she genuinely enjoys giving you what you want. She even moved a mirror closer to the bed and said it looks nicer to watch yourself having sex in the mirror — which is definitely true. After some deep throat, it felt like the right moment to move on. We started with cowgirl, and I asked her to kiss and bite my nipples, which she did really well. Then we switched to missionary on the bed, and I finally exploded. We finished with a lovely cuddle and a chat. Overall, it was a really good experience with a lovely, open, and open-minded girl.
