The Lady:

As Pat, who runs this excellent agency still hasn't brought the website up to date, you can't see her profile at the time I'm writing this. But it is business as usual and I'm confident that, if you call or email, they'll find a delightful woman who excels at escorting, even though there are no photos. But be assured that Nancy's profile is accurate as and when it reappears and that the woman in the photo is, indeed, Nancy, who is attractive and smartly dressed.

The Story:

Having some rare free time alone in London gave me the opportunity to get in touch and see who might be available for some TLC! I might have been tempted elsewhere on the website, if I could have seen what the alternatives were (sorry Nancy!) but when she was suggested to me, as I'd seen her before and we'd got on well, I was more than happy with the idea of a second encounter.

She arrived right on time, looked great and immediately set me at ease, as I'd been rather stressed, having had a problem finding my hotel and was thus running a bit later than intended.

I'm not going into detail other than to say, as I often do when writing a review, that you all know the reason for meeting an escort and that we had a mutually pleasurable time. I'd definitely recommend 00-44 any time, have booked them many times over the years. Nancy is one of a really lovely group of women, none of whom, as far as I can tell, are full time, they do it for pleasure and, of course, extra income.

Highly recommended, I'll be back as and when I get the chance.
