The Premises:

Discrete basement entrance; lady answered the door and guided me in, so easy and comfortable. Clean and comfortable bathroom. No complaints whatever.

The Lady:

Gorgeous! I just wanted to stare at Ashley and admire her. She is beautiful! Obviously a regular at the gym, she has a toned body with curves in the right places. She was also attentive and thoughtful throughout, clearly wanting to ensure I had a good time. A lovely attitude.

The Story:

I loved my time with Ashley. She likes gentle touches, kissing and stroking. Her pussy tastes lovely and she responds well to that attention. Her oral skills are sublime and she asked how I liked it done - another effort to please. However she did it was great! Pleasantly surprised by her encouraging dirty talking that took me over the edge. She was pleased I was so obviously satisfied and she obligingly cleaned everything up afterwards. What a treat! I lovely lady with a sexy body I look forward to seeing again.
