### The Premises:

Nice parlour on a busy street with a simple doorway entrance. Clean and well appointed rooms, friendly staff

### The Lady:

Just like her pictures. Lovely slim body and a pretty face

### The Story:

I have booked for Mia but they realised after a few minutes that the rota was messed up so I was offered the opportunity to see Pixi instead - I have last seen her 10 years ago and she still looks great after all this time.

Lots of kissing, oral on her (well received!) , oral for me and some great sex. She likes to guide you over her body which I like, a woman who knows what she wants.

Definitely would return and not leave it so long next time
