A Discreet location, easy parking. Nicely presented premises clean friendly and welcoming. Room was a little cool to start but things soon warmed up. Decent shower and lovely towels.

The Lady:

Beautiful? No. Gorgeous? No. Exquisite? No. Demi was ALL of these and more! What a beautiful woman! What a voice, what a face! Be it her eyes her hair her lips, Demi is quite simply all encompassing in her beauty. I chose my username (being my first review) based not on me but on the experience with Demi. OMG!

There is a quality about Demi that shouts out 'what a woman!' And I gathered all that without seeing her naked and the massage. OMG! Her perfection continued, simply delicious breasts, the shape the size their responsiveness. And when it comes to 'responsiveness' Demi was so a tuned to how i was feeling (this between herself and i) that how I responded was not what I expected at all but O how welcome it was. Then Demi presented herself in all her deliciousness, a view I won't ever forget! Smitten i am and smitten i will remain. But having said all this and the intended purpose of the massage Demi was simply great company easy to talk to and a lovely sense of humour. What an experience what a woman a beautiful gorgeous exquisite woman.
