The Premises:

I have been a number of time now and wouldn't entertain more visits if I didn't think the place was suitable. Easy parking (it's free) right outside the establishment, just be wary it's a public parking area. The rooms are very clean, decent massage table and the showers are decent enough. Mirrors placed on the wall so you can get sneaky peaks when your on your back.

The Lady:

Khloe is absolutely gorgeous. Very tall, which is what excited me in the first place because I'm a short ass - and was a turn on her standing quite a few inches above me. Khloe has a beautiful figure, and the perfect natural boobs. Very good looking lady and just the most stunning personality to match. Made me right at ease the moment she walked in. Very friendly and chatty, and really quite funny. Photos are a good match and really pleased I finally managed to book a massage with this 10/10

The Story:

The usual, needed to wait 5 mins past my allotted time as Khloe was busy with another client who must have received decent attention before me. Was taken up to the room and asked to shower as per. I had actually forgot to move my towel to the peg and halfway through showering Khloe walks in, noticed my towel on the massage table, and told me she moved it to the peg - which was nice. Jump out the shower and she is still their in the room, which got me pretty horny as she was watching me right away.

Finally dried down on on to the table I go facing down. On with the massage where lots of focus on my upper thighs and bottox and back. Lovely relaxing massage with plenty of chat, which made me very relaxed and excited for what was about to come. A few cheek CC swipes kept me waiting for what was about to come. A nice amount of body to body followed where I could feel her juicy boobs and her pussy on my bum cheeks.

Then on to the flip, where the magic truly happened. The cheeky smile highlighting the cheekiness that was too follow. Started off with some nice teasing of the cock and balls, and some nice slow massaging up the inner leg and back to the balls - pure heaven. Khloe at one stage, stood head

side of the table, leaned over rubbing her most amazing breasts in my face, rubbing them all over whilst reaching a stroking my rock hard cock. It was just out of this world. Khloe then moved to the side of the table, where she done some more body to body, and then a whole lot more teasing of my cock and balls until I couldn't take no more - a lovely finish and one the whole massage was just a joy. Didn't quite get the 45mins but that is because my body couldn't contain the excitement. Thank you Khloe for a wonderful time, I know we might not see much of you on here anymore but I sure do hope to see you at ego again for round 2
