The Story:

Started off standing kissing, while she played with my cock, I then helped her remove the sexy lingerie she had on and knelt down and sucked and licked her nipples, I then asked her to sit in the edge of the bed as to lay down I then started to lick her pussy she was making very sexy noises and talking dirty with her sexy accent, we then changed position and I asked her to get on all fours and ate her pussy from behind which tasted amazing, which she came on my tongue we then swapped and I laid down and she gave me the most fantastic blowjob, tongue, sucking, licking fast and slow until I could not hold back and came over her tits, we cleaned up and she gave me a fantastic massage she span me over started to sucked my cock again the. In with the rubber she lowered her self on to my
Cock and we had sex in numerous positions, doggy her in her side she rode me until I came in the condom
