### The Premises:

Well reported in numerous other reports

### The Lady:

Bella is tall, slim, dark with long hair. Around 30 years old I would guess and is British if Nigerian origin. Looks fine but not really my type. Her tits were a bit droopy and she's not as toned as the photos suggest.

### The Story:

First visit to London of the year. I only had one day where I could slip away for a cheeky session. Decided on my default option of House of Divine.

None of the girls available really caught my eye so decided to go for Bella as relatively speaking, I have been with very few black girls so thought it would be something different to my normal type.

In lazy mode, wanted a bit of pampering and a nice blow job rather than anything too frantic. Bella said she was a bit disappointed as she wanted "a good shag" and I get the impression she is a genuinely horny woman who enjoys her job. Also friendly and chatty.

She delivered by giving a good massage with body lotion and a good BJ. Started slowly and built up speed nicely and that's how I came (didn't CIM).

A pleasant enough experience and would recommend if she is your type.
