The Premises:

The original location, behind ego massage, next to the free car park
The room was very plain, but nice and warm

The Lady:

Stunningly beautiful young lady, could easily be a model, age is about 25 to 28, about 5' 8", very slender and not an ounce of any fat, her photos are spot on, if anything, she looks even better in the flesh :)

Absolutely gorgeous

The Story:

Arrived slightly late, due to parking issues ? I apologised profusely, and the maid welcomed me in, and showed me to a ground floor room, very plain, but nice and warm

When Bella entered the room, my breath was taken away lol, she is definitely drop dead gorgeous

What happened next was a bit of a blur, non stop kissing, licking, 69 (she tastes fantastic by the way), and if you listen to her, she'll explode in multiple orgasms, delicious

She was still cumming when put the jacket on with her beautiful mouth

Lots of erotic chat as she demanded I fuck her, so straight into missionary, and she managed to get her legs next to her ears, then this beautiful woman started licking her nipple, I had one she had the other lol

Age started catching up on me, stamina wise, so the lovely lady, told me to rest while she fucked me, but first I had to devour her delicious pussy again, especially while she was so open, hence another orgasm

Eventually she got on top, it was so gentle and loving, a proper gfe experience

Fantastic experience from a stunningly beautiful woman, who clearly enjoys the job

Will definitely see this goddess again :)
