The Premises:

The new premises, which is a preference due to easy parking & larger & better equipped/furnished rooms.

The Lady:

Nyx is an attractive young lady, I'd say around mid 20's & the photos online do represent her well. As she also offers a more adventurous service BDSM, she does however additionally offer a more sensual service for clients wanting more of a GFE.

The Story:

This was a duo booking with Ruby & Nyx as I was looking for the fully interactive service from both ladies, however I did not check that she is comfortable working with Ruby for this service & she sadly doesn't do the full interactive service with her. This wasn't her fault, but mine for not checking when I booked .

I booked 3 hrs with Ruby & Nyx to join after 30 mins for 1hr.

As for the service she provides, as it was my first time visiting her, it's hard to know if it will change over time.

She did arrive 10 mins late, which is never a good start, I accept a few minutes, particularly as bookings can run back to back.

Light French kissing was provided over DFK, she is exceptional at OWO, with plenty of spit, although she did use her hand a lot, but when she sucked, she definitely knows what she is doing.

Her pussy is absolutely divine, shaved & a sight to behold, I enjoyed my time going down on her, so much so, that I did for around 30 minutes, whilst Ruby gave me her usual high quality BJ, which still to this day is my favourite for this experience. Nyx was lucky to experience my skills in licking her, I was able to bring her to 4 powerful orgasm's, the latter which made her gush. Throughout this time, she asked Ruby if she wanted to swap, but as Ruby & I had 90 mins together after Nyx, she

allowed her to enjoy my tongue fully & truly emerge herself in letting herself go. Would I visit her again, yes, although I'd like to find out who she does fully interactive with & maybe I'll try again. That's if Ruby hasn't drained my bank account before I get a chance, particularly as Nadia is back next week, so I have to book the dynamic duo, I've read so much about!

The final 90 mins with Ruby, was world class as per usual & that's why she is & will always be my No.1 x
