The Lady:

What can you say? This is one lady who enjoys her job extremely friendly fantastic smile beautiful personality. The photos online are nice, but do not do her justice much better in the flesh. Very sexy accent, extremely good English. From the first minute she introduced herself I felt like I've known on my whole life.

The Story:

This lady is a must see, started with a introduction, then some lovely kissing, moved on to the bed and went straight into a 69, lovely pussy, then I decided to do oral on her which I'm pretty sure she enjoyed, lovely orgasm. We went onto sex in various positions, fantastic, energetic, loves to make all the right noises, after the finale, had a lovely chat talked about loads of different things. Extremely lovely, sincere lady.
