The Premises:

Ego massage is a lovely small place with free parking the car park has been re tarmac since my last visit

When entering you can smell the clean fresh smell that shows it's a well run establishment always greeted

with a friendly smile and showed to my room.

Ego has three rooms and I was asked to the smallest middle room

The push button showers sometimes could stay on longer but that's only a minor criticism

The Lady:

I chose Angelica has I had not seen her before. Wow was I pleased

With my choice. She immediately put me at ease with a smile and a hug.

She undid her tunic to reveal her sexy underwear her slim figure and great boobs when she quickly removed her bra was amazing.

The Story:

She asked me to lie on the coach face down and gave me a wonderful strong massage mixed with a light tickle massage. She gradually started to

Reach under and touch me so when it came to turn over onto my

Back I was already very aroused the whole time Angelica was talking

And laughing it really was a fantastic experience and when it came

to the happy ending I wasn't disappointed and fully recommend Angelica a truly

Wonderful hour with her. Can't wait for my next visit
