The Premises:

Clean, tidy and easy to locate. Located in the basement.

The Lady:

Very sexy and tall with amazingly sized 34HH sized breasts. Cindy seemed the age mentioned, 31, and is Brazilian and Italian. Face was very pretty and sexy but blurred in the pictures and the body matched exactly

The Story:

This was my first time with H.O.D. Comms was straightforward, i called to arrange the booking and details were sent via text. The person i spoke to was very nice and helpful with arranging it all.

I found myself at the basement entrance, where Cindy greeted me, and i was in awe of her beauty, she offered me a shower, which i accepted as I feeling a little sweaty due to nearly running late. I got back to the room to find her waiting for me in her sexy lingerie. I handed over the money and then we got into it. She sat me down on the bed and fed me breasts, which I loved playing with whilst sucking on her nipples. I asked how she was, and not much of a response, which led me to think she may not be having a great day. I then asked if she was alright with kissing, which she said no to. It was honestly a let down, I was expecting even a little bit of light kissing, but none whatsoever, even though 'kissing was listed as one her offered services.'. I didn't let that bother me, we stood up and turned her around so I could wrap my hands around her huge breasts once more, squeezing and caressing as I pressed by straining bulge against her sexy ass.

I then slid my trousers and off we started with oral. She sat down on the bed and started to open a condom, where I asked "no oral without?" To which she replied "no". Now, this was a bit of a bummer, but i can't blame her as 'owo is discretionary' under her list of offered services. Again, didn't let that bother she got to sucking. She was okay with giving head, even as we switched 69. I really enjoyed eating her out. Her pussy was very nice. She was quite reactive whilst eating her out. We then switched to a bit of missionary and then doggy. I asked where I can cum, as her offered services mentioned COB, I would have liked to have cum on her body or breasts. She replied it has to be in the condom. I came in the condom and she then offered me a massage. The massage

wasn't great, used some oils, gently pressed in and then wiped off. I then took a shower, got dressed, gave her a parting kiss on the cheek and left.

All in all, not really what I was expecting. I expected more. Maybe it was Cindy's off day, or maybe it was just me. It was a somewhat decent time with Cindy. Would I go back to see Cindy? Probably not.
