The Premises:

Long established parlour, discrete entrance in a parade of shops, clean and well appointed rooms and a friendly welcome

The Lady:

very petite, gorgeous South American lady with the obligatory tan lines! Enhanced bust but nicely done to work with her size, slim and very pretty face

The Story:

I has remembered seeing her some time ago but didn't review not sure why. She is beautiful and in great shape. She came in to the room with some sexy underwear which showed off her great figure, she thoughtfully wiped off her lipstick and after been a little tentative relaxed in to the experience. Some covered oral for me first then I went down on her, boy can that girl cum both vocally and physically, I 100% knew that was real. A few more orgasms later then n with the main event. Some great sex and a nice chat to finish, she is especially sexy when she lets her hair down. Would definitely book again
