The Lady:

Ginevra is an Italian brunette, from the Dolomites. Shes a pretty girl with a great curvy figure, she has nice pert breasts and a lovely juicy booty.

The Story:

She walked in and I was taken aback with her nice long tanned legs and curvy body, just my type. We kissed as I groped her fat ass, then I couldn't resist for long and sunk to my knees to rub my face all over her bum for a few minutes, it felt a bit like being with Jess, who also has an amazing bum.

Finally I got back to my feet and she went down on me, OWO, giving me a nice BJ and then she starting deepthroating me. It felt amazing and then I asked her to do a porn trick I'd seen, which is to lick my balls at the same time while she's throating me, and she did! She said it was her first request and its always cool to do something for the first time with a Pro. I am about 6 inches so it was no mean feat and anyone who loves DT will love her as she has no gag reflex I believe, and so she was DTing me quite a few times without too much trouble until the end of our time.

All in all a great punt with a nice, friendly girl with one or two tricks up her sleeve.
