### The Premises:

Usual place at Victoria, very upmarket and safe

### The Lady:

Cherry is an attractive lady of east asian heritage, definitely cute girl next door kind of vibes.

### The Story:

Cherry came in and we immediately started French kissing, her kissing technique was deep and passionate, and felt familiar. We undressed and migrated over to the bed where Cherry started to give oral which was delightful. Plenty of eye contact and very deep. I then gestured I was ready and she climbed on top on me and we banged for a good 10-15 mins. Mostly in cowgirl and doggy style, Cherry was enthusiastic and enjoyable in all respects. I finished up soon afterwards we had some small talk and I was on my way. Will be returning.
