### The Lady:

Effy is stunning dark hair with a beautiful face, warm smile and sparkling blue eyes. A slim athletic figure and incredibly sexy. Easy and interesting to talk to and she instantly puts you at ease.

### The Story:

I was a bit nervous beforehand as I am a bit of a reserved character. I took a long time to pick someone to meet and I don't think I could have chosen better. This is my third time seeing Effy as I naturally feel comfortable in her presence and she makes you feel very relaxed. Everything we do feels intimate, making you feel special in your time together.

I am always a little stunned when she enters the room. Today she wore the most seductive red lingerie and as she stood framed in the doorway my heart skipped a beat. Pausing for impact I admire what I see then she melts into a big smile and we hug and greet each other. I love touching her smooth skin and she has a distinct aroma that you inhale and absorb, welcoming you for what is to come.

We talked like old friends and I find time slips away in her presence but you willingly surrender to the experience. Effy is really good at guiding your moments together to ensure each visit is unique and evolves organically to our moods, feelings and senses. If she didn't do that I would lose track of things so I appreciate this very much, as she ensures your encounter is perfect.

I took a shower as I had been wandering around London and returned to the bedroom and sat there in my towel. Effy joined me shortly after and closed the door. She sat on the bed and we talked, laughed and enjoyed each others presence. She softly touches me running her hands and fingers over your body. I find it is like a dance with Effy slow at first which I cherish and we lie down next to each other. Brief touches of our bodies now as the Rumba seductively embraces you. We kiss and I feel absorbed in the moment intimately aware of her smell, movement, touch and sound.

I don't have to think with her my nervousness is gone we are two bodies entwined and exploring each other. You are in her space and the pleasure is intense as mouths explore and we become intimate. It's like nothing else is happening in the world. She keeps you at the height of ecstasy as everything melts away and you surrender to the seduction. I am inside of her now and our bodies move as one, I feel the bliss slowly rise and the feelings are intense building to a crescendo and a sublime release.

I keep the details of our most close moments to ourselves as that way they feel just ours to share. Our time together is amazing and there is nothing more I could want. We recline on the bed for the last 10 minutes of our rendezvous and Effy says the sweetest words. As always the end comes too soon and she walks me naked to the door. One last glance and I am out into the city with a big smile and feeling ten feet tall. I'm already planning to return as for me it is the most amazing company you can have.
