### The Premises:

The location was the original discreet place in Fenny Stratford, with access to the rear and conveniently located next to a free car park, which is always well looked after

### The Lady:

Natalia is a gorgeous, sensual European lady in her late twenties/early thirties. She's a petite size 8, with beautiful pert breasts, like a teenager, and a cute, irresistibly curvy bum—exactly as shown in her profile images. Her hair is styled in very attractive loose tousled waves with subtle highlights at the moment, and slightly shorter than in her photos

### The Story:

I'd met Natalia before, though it had been a while, simply because I don't live close to Milton Keynes—if I did, I'd probably visit her every week!

I was thrilled when she stepped in, dressed in stunning, elegant blue lingerie, identical to the recent images on X. She was wearing very pretty natural-looking makeup, which accentuated her mesmerising eyes, and a fresh delicate fragrance. Natalia has a vivacious girlfriend vibe and seemed genuinely enthusiastic about seeing me again, greeting me with her radiant, cheeky smile and a big warm hug.

As ever, she was enchanting, confident and chatty—highly engaging, with a great attitude and an easy, natural warmth that made me feel both completely at ease and really excited at the same time.

We started with lots of tender, intimate French kissing, before I began softly and slowly caressing and kissing every part of her irresistibly seductive body. She then kissed and gently sucked me, stroking me softly with one hand while cupping and touching me with the other. It was exquisite—clearly a speciality of hers. I had to ask if I could reciprocate before I reached the point of no return. It didn't take long before my licking, kissing, and gentle touching drew a passionate response and a beautiful, happy ending for her.

We finished by whispering erotic shared fantasies to each other, until I could no longer hold back

and asked her to bring things to an intense conclusion with her wonderful hands, and some more passionate kissing.

I've rarely met anyone who seems to derive such genuine pleasure from both teasing and being pleased. Natalia's effortless elegance and allure, combined with her charming conversation, barely conceals a delightfully playful and deliciously naughty side to her personality.

There was no sense of rush or expectation—just a warm, natural, and incredibly sensual experience with a sophisticated, softly spoken woman. She made me feel completely comfortable in her company, and it's clear she genuinely loves what she does.

I can't wait for the chance to get over to Milton Keynes to see her again
