### The Premises:

Clean and tidy flat in nice area.

### The Lady:

Sophie is simply gorgeous! Beautiful face, natural hour glass figure, long blonde hair, approximately 5'6" tall and long slender legs. She also has this killer smile with a naughty glint in her lovely blue eyes!

She makes great conversation, is well spoken with a lovely English accent.

Her pictures on the website are accurate.

### The Story:

So I have seen Sophie multiple times, although I very rarely leave reviews like most punters once you've found treasure you tend to keep it to yourself because advertisement will only make it more difficult to get a convenient booking of your choice.

After my last encounter with Sophie I thought it only fair to spill the beans so that others can also experience this amazing lady!

I arrived as usual and received a warm welcome from the maid who showed me into a clean and tidy room, shortly after Sophie breezed in through the door with a big smile (and that naughty glint in her eye) wearing a lovely figure hugging long red dress and planted a big full on snog on my lips, straight away I knew we were going to have a brilliant time together.

We had a quick chat then proceeded with more deep and passionate kissing while our hands explored one another's bodies, we slowly undressed and lay on the bed, by this time I was really turned on and Sophie seemed to be enjoying the moment too. She then as always took me into her mouth and with her slow and deep technique while gently scratching my balls with the tips of her finger nails I soon started to feel the sap rising (so to speak) after a few minutes of this I decided to go down on Sophie which she always enjoys slow and gentle, I could feel her body responding as

she arched her back then the sweet taste of her juice. I gradually made my way up between her lovely legs kissing her body and breasts as I progressed, as I met her mouth for more I could feel myself slip inside her it felt divine, I could still feel her body convulsing and it wasn't long before I explored into an intense finally.

All I can say is those who have been lucky enough to spend time with Sophie will know how incredible she is, what is lacking in youth is replaced with experience, and knowledge of what makes for a truly sensual spectacular experience.

I most definitely can't wait to see her again.

Thanks Sophie see you very soon! X X
