The Premises:

Usual flat in Victoria. They have tidied up a bit, which makes it nice.

Was given the upper flat, rang the bell, waited a bit, then opened and went in.

I'm sure by now everyone knows this is a whorehouse.

The Lady:

I've been fucking Elle for a couple of years now, but I have to say that she is getting more and more beautiful with age.

Because we know each other for a while, we have a very nice rapport and she knows what I like, and by now I hope I know what she likes. She tells me I make her come. Maybe. She's paid for sex after all, so maybe she has to say this.

The Story:

She entered the room naked wearing a pair of black high heels and nothing else. I took her petite body on put her on the bed with her head on the border, asked her to open her mouth and gave her my cock, which she took all the way in. Then I lifter her and we had a standing 69. This girl is amazing at sucking cock. She then took the Condon, put it on me, and I turned her around and fuck her pussy from the back. Went down on her and gave her a rimjob with my tongue going deep into her buuthole. She tastes delicious. New Condon, lots of pub and then on with Elle best service: her butthole. Fuck this chick is tight.

We fucked for two hours, but it was soo good. I came so many times, but the last one she took in the month and swallowed it.
