The Lady:

Vanessa looks every bit as stunning as the photos on the website. Gorgeous looks, amazing figure with a couple of tattoo, and amazing figure. Love her sexy Brazilian accent. She speaks very good English and was very chatty.

The Story:

I'd been wanting to see Vanessa for some time and so I booked her a day in advance.

Once in the room, I didn't have to wait long for Vanessa to walk into the room and within seconds she was snogging my face off. She's an amazing kisser. Deep french kissing which immediately got me rock hard. We then undressed and got onto the bed where she treated me to an amazing uncovered blowjob. Lots of flicking of her tongue and attention to my balls. Absolutely sublime technique.

We then switched to 69 - something for me that is a must for every sexual encounter. Her pussy tasted delicious and she responded and enjoyed the attention I was giving to her clit, even making her legs shake. I could have literally spent hours with my tongue buried inside her.

Everything was so seamless that I barely noticed her rubber my up. She mounted me in reverse cowgirl for a couple of minutes and then rotated so she was now on-top facing me, fucking me whilst french kissing. I caught a glimpse of us in the mirror and it's yet another image I'll be committing to the wank bank.

Then onto doggy, where the sight of me bouncing off her gorgeous bum while she reached underneath and fondled my balls was just too much and I couldn't hold back and came heavily.

With time remaining, she gave me a wonderful massage - back, arms and legs, whilst we chatted

openly about her time in the UK, her Brazilian background, travels etc. Would I see her again? Wild horses couldn't stop me.
