The Story:

Hadn't seen Stacey in a long while so was pleased to see her returning to MN. I met her in the hallway and she asked who are you here to see, you! Got a shower and she came in in a lace robe covering some pretty underwear and that gorgeous slim body. We got the awkward extras conversation out of the way (none for me) and then starting kissing like old friends. Got her naked and explored her boobs, nipples before getting my head between her legs. This was certainly well received. Then on with the cover for some great oral then some great sex with me on top then switched to doggy and the wonderful site of her gorgeous body. 69 to finish what was a lovely time. Treat her well and you get plenty in return, highly recommended
