The Premises:

I like the area. It is a short walk from Tachbrook Road street market. Either Victoria or Pimlico. I can't tell you about the parking because I arrived by public transport. Quite a posh area, the flat isn't all that good. The room was quite small. I was offered a shower so I know it's available. The flat seems to be quite clean.

The Lady:

She could be the most attractive woman that I've ever had sex with. She has a beautiful face with big eyes. Black hair, she has a Mediterranean look about her. I think she's Spanish. If you want someone very young and very slender then maybe she's not for you, but for me she was perfect. Apart from the tattoos on her arm which didn't affect my enjoyment in her company.

There are lots of photos on her page on the House of Divine site. She's even more attractive than the photos I would say. I pointed out to her that in the photos her skin looks a bit darker than in real life. She said she gets browner in the summer. Not that I wanted dark skin, I was happy with her the way she is. How old is she? I'm not very good at judging age: she could be in her 20s.

The Story:

She is very friendly so she put me at my ease. She has a lovely smile. She asked me if I wanted oral sex, and did I want it with or without a condom. I said without. She also likes snogging which is a big turn on for me. Oral sex doesn't really get me aroused. I asked to see her pussy and she obliged. A very attractive shaved pussy. My needs are very simple: I got on top of her and we had passionate sex. Couldn't have been better, really.
