The Story:

Really pleased I decided to see Sophie again. A GFE where Sophie puts you at ease. I think she remembered me and followed on from where we left off as didn't have chance to do all that I desired.

A fantastic long red dress and bra but no panties fell to the floor as I stripped her naked kissing her neck, arms back and ass. The towel which was wrapped around me after a shower fell to the floor, allowing Sophie to start to play with me in many different ways.

Onto the bed for more OWO and 69 before the time was right to rubber up. Slow and intermit morning sex session with all the right buttons being pressed.

Sophie could become a regular and keen to get to know her more and explore her wild side !!!

Maybe it's a duo for some interaction ffm next time and a surprise dessert!

Looking forward to the next visit. Xxxx
