### The Premises:

Charlotte is back in Birmingham. I think it's the same place she used earlier this year (in the same building, anyway). Some on road parking and a Multi Storey Car Park on the main road about 400 yards away. Not the best area - but felt safe.

### The Lady:

There are lots of descriptions of Charlotte on here. Just be assured she has got one of the best bodies in the business and a smile to match.

### The Story:

I was very pleased when I read on a previous field report that Charlotte was coming back to Birmingham. She was my all time favourite punt in the Midlands and she hasn't changed a bit. She even pretended she could remember me....now that is a professional.

The service was as good as ever. You get great oral with long looks and a sex in every position. Great to see her back in my area, although I fear my bank balance will suffer.
