The Story:

Wow I won't go into too much detail but heaven is missing an angel and she lives in Sheffield. Shelly has a special massage that is out of this world. She is intelligent, confident, very friendly and interesting. A real GFE even though money changed hands (she's definitely undercharging). I still think of the experience as the best paid or unpaid that I have had to date and I've had many of both. Shelly will do anything but no cum which is why I can only give her 10/10, you gotta respect a lady's comfort level.

Treat this lady with respect boys she's one in a million
