The Premises:

After speaking with Charlie on the phone i decided to make a visit. Her directions were excellent and there is plenty of safe parking within a two minutes walk. A smiling face welcomed me into a nice warm, cosy apartment (wonderful on a cold winters day). The apartment is not large but is clean and in a safe area.

The Lady:

CHARLIE is in her mid-late twenties, about 5ft 6ins tall with blonde hair. She was very well presented, wearing a nice skirt and jumper. A drink was offered and accepted. We had a chat to get to know each others likes and dislikes before i was escorted into the bedroom.

The Story:

A massage was offered, which i accepted. After both undressing (Charlie still wearing her stockings) her hands went to work. After a few minutes Charlie placed a condom on me and went to work with her mouth. Change of speed, as well as movement, was enjoyable. (When i lifted her hair for a better view i nearly let go!) Charlie then sat astride me. What a "grasp" on the situation she has. Her nipples are wonderful, they were greedily sucked. This lady really does appear to enjoy herself. I then took Charlie from the behind. I made the mistake of looking closely at what was going on, BANG!, what a first visit!

This lady is very attractive and a great person to talk to. Would i book again? I already have!
