### The Lady:

A stunning blonde with a well toned figure. Exceptional breasts (enhanced). Annabelle was wearing high quality lingerie, black stockings and high heels.

### The Story:

I have used PN a great deal over the past 12 months, but have never submitted a FR before, because I felt that I had nothing to add to those already on file. I now have something to record!

I was on business in Leeds and having reviewed the FRs and web sites selected Annabelle. I phoned Annabelle's receptionist, a very lovely lady, who was really helpful and made an appointment.

I arrived on time and was shown into a tastefully decorated lounge, where a drink was offered and we chatted waiting for Annabelle.

A few minutes later, an absolutely beautiful vision appeared in a very short black dress (which displayed her breasts quite stunningly), stockings and heels. She asked if it would be ok for her to have a glass of wine and we ended up chatting for about 20 minutes about a number of areas we found we had in common.

This staggeringly beautiful woman is no 'dizzy blonde' - she is intelligent and totally independent.

When we moved to the bedroom, the following 90 minutes was totally red hot, with Annabelle providing one of the best blow-jobs (covered) I have ever experienced culminating in me coming over those fantastic boobs.

She then quickly got the 'little chap' up again and told me that she wanted sex in three positions! We managed many more than that and again concluded with me covering her boobs with whatever I had left.

We talked much, much more until the time was up!

Guys - Annabelle is probably the most beautiful woman I have ever spent time with. But she is no 'air-head'. She will entrance you both 'bodily' and intellectually. For me, that combination is just so sexy.

As far as I am concerned, I will only visit Annabelle when I am in Leeds.
