The Premises:

Nice flat in new built complex on river. More in danger of bumping into a mate in the lift than being mugged.

(Word about the 'maid' who took my booking; not some jaded old bird but a very efficient, young and enthusiastic girl (who sounded well cute herself) who came across more like a reseptionist for a very up market city firm. If they stick with her this agency will go far.)

The Lady:

No physical description needed. Web site details and pics extremely accurate and very recent. Partly shaved and nice firm body.

The Story:

What simple cannot be learned from the pics is the nature of this girl! She?s like a cross between Kate Bush and Britny Spears on speed!! Very friendly and very affectionate. If she wasn?t deep kissing me she was rubbing me up all over, and that was before we even did the money bit, she almost had her cloths off before I asked her if she wanted her cash. Then if she wasn?t prancing around doing arabesques (a cute ballet pose) she was up on the sofa doing a sort of mock lap dance. And all with a cheeky, impish grin on her face. Had me in stitches. Got her kit off and did some oral on her before she undid my fly and got me out to do some excellent OWO on me. Came over her chest as a result. Retired to bedroom with wine in hand to receive very intuitive massage to very knotted muscles. Very relaxing. Then some chat which continued to have me in stitches at her sudden theatrical poses or comments. Then more oral both ways (she will show you exactly what she wants you to do!) before rubbering up for 2 or 3 positions punctuated by Anika touching herself in her own particular way (funny how girls all masturbate in totally different ways!). Very horny to watch.

One naughty thing she did was to ask me if I wanted an extra half hour. Done in that cheeky impish way so I wasn?t offended, just said she needed to be a lot more subtle.

Left with a grin on my face wondering what she puts in her coffee and where I could get some! Very enjoyable punt.
