The Lady:

Well now, here's the odd thing. It was the same girl as pictured in the web site, but somehow it wasn't. Here was a rather plumper, over-lipsticked big smiley version - still a very sexy lady, but magnified in some way.

The Story:

The usual disappointment over not wanting to wear latex. Happens to be my thing, and it's almost impossible to find a girl who'll wear the stuff, even if it's advertised on their website. It's always too hot or there's a bit missing or the dog ate it or something. If anyone out there knows a girl who'll gladly slip into a latex catsuit or stockings & gloves then please let me know and I'll beat a path to her door.

Anyhow, the hour with Anastasia was OK. I think I was a bit vague about what I wanted because I'm not really into the BDSM thing but I do like a bit of domination, and I think it's not always clear what I'm after. My fault. Anastasia did her best and tried out a few things, but I have to say I found the experience a little disappointing.
